Most people never even heard of HAARP, but fact is, HAARP installations exist and are most likely than not, responsible for a lot of foul weather and earthquakes in the past 15 years. Investigatek and you will find the facts. Or just stay ignorant and blissful. It's up to you.

Your Country/family/friends/patriots, fellow human beings, nature and our Mother Earth need you to "WAKE UP". This weapon was brought into the world over a hundred years ago by Nikola Tesla and patented by Bernard Eastlund. US PATENT #4,686,605 <http://crashrecovery.org/haarp/US-Patent-No-4.686.605.pdf>

Hi Jeff...

I identified the HAARP sites two years ago. They left some key ones out: Chile (HAARP earthquake as President was sworn in), Cyprus (Black Sea Storm), Dushanbe Tajikstan (Tien Shan gold belt), and ANTARCTICA - the most important one. Plus, they forgot all the Russian installations - more than any other country.

Here are the main mining projects of Eurasian Mining Company inc. which are all located where mining riches are located "Bill Clinton Uranium Scandal"

started by Frank Giustra who flies around the world with Bill Clinton to secure mining contracts in these key places after Clinton introduces him to the Pres. of the country he wants to mine in.

After the contracts are signed in each country, Giustra forks over \$150 million to Clinton's foundation. Wasn't Clinton involved in Haiti, etc, etc, where all this mineral loot is?

THE HAARP SITES ARE LOCATED GLOBALLY WHERE THE RICHEST MINERAL BELTS ARE LOCATED. SUBSURFACE MINERAL EXPLORATION HAS BEEN DONE FROM SATELLITES BY RADIOTOMOGRAPHY THAT IS 100% ACCURATE.
